## *Fair Railroad August 2011*

*We had a great railroad at the Fair this year. We owe many thanks to the hard work of the Fair RR chairperson, **David Downs** and to the many club members who helped set up, build special displays, man the railroad during the Fair and for tearing down the railroad after the Fair. Thanks also to the financial sponsors - especially **KAZ Builders** for being the main sponsor. Page 2 has several pictures of the Fair RR.*

## *Botanical Gardens RR Summer 2011*

*This year the Gardens asked if we could present a layout during the National Gardening celebration. Charles Bartel, along with the faithful crew, answered the challenge with a great railroad for 3 weeks in June and July. The Gardens have asked us to double the size of the winter railroad. We will need help from many of you to answer that challenge.*
