*Welcome to the 2011 edition of the Western New York Garden Railway Society. Our club ended 2010 with a tour of the Flynn Station in Fort Erie. Phyllis and Mike have done a wonderful job on their new home (Victorian train station).*

*After our tour we met at The Barrel Restaurant in Fort Erie for a great spread of pizzas, antipasto and specialty breads. A great time was had by all 23 people who attended.*

*We did not have an official meeting in December, but it was a very active month with members monitoring the railroad at the Botanical Gardens and fixing equipment altered by little fingers. Many thanks for all the time donated by members during the set up, maintenance and tear down of the Gardens Railroad.*

*Next meeting: January 19, 2011 (Wed.)*
