Meeting Minutes from 7/18/10

The meeting was opened by President David Downs at 7 pm. There were no guests at the meeting. Secretary and Treasurer reports were approved by the group.

Correspondence from Erin Grajek of the Botanical Gardens was read. We will install the Gardens railroad during Thanksgiving week and remove it during the first week of January, 2011.

The club web site was discussed. Much has been updated, but more needs to be brought up to date.

The Fair railroad project was discussed and members were brought up to date on the various buildings being constructed by club members. Parking passes will be handled as in previous years. Volunteers for manning the railroad were given gate passes. The list was passed around to try and fill in the holes for coverage. The schedule of construction was shared with the volunteers. Bob Rodgers did a great job in getting advertisers for the Fair railroad. He was able to get 13 companies to advertise in the brochure and on the flat cars.
